## REMARKS TO ACCOMPANY TRANSMITTAL FORM **DATED JULY 17, 2001**

Two changes have been made to FIGS. 3 and 4 as shown in red ink on enclosed copies of the drawings that were previously filed. No new matter is added by these changes. Step 250, illustrated in FIG. 3, obviously refers to FIG. 4 (rather than FIG. 3) as explained in the specification at page 9, lines 4-6. Similarly, the bottom of FIG. 4 should read "Goto step 265" rather than "Goto Step 270," as evident in the Specification at page 10, lines 14-15. These changes are incorporated into the enclosed formal drawings. Approval of the drawing changes and the formal drawings is respectfully requested.
